

C. C. Original service a Memorandum of which I lodged with you on my departure from Annapolis & whether I am charged & Col^o Richardson Credited for 660 dollars which were returned to me by one of his Officers, which I think I made an Entry of in the memorandum book lodged with you. my books & papers being lodged back in the Country prevents my sending my Acc^t in, but if I mistake not Richmond lodged a Copy with the Council of Safety which was not Closed, as there were some entries to be made against the State & some to their Credit which he was not furnished with as my acc^{ts} were left in Philad^a on my return to Maryland last Winter. when I marched to New York in the state service my pay was 80 dollars p month & I only rec^d 50 from the Continent does the state make up the deficiency or do I loose it. I also owe the state 35[£] or 45[£] I don't recollect which for a horse which I purchas'd on the Expedition to the Eastern shore for M^r Elliot my Quarter Master to discharge the duties of that department which I took on my own risque & Credited the State for the sum these & some other Charges & Credits may not be in the Copy delivered in by Richmond but as soon as I can have access to my papers will transmit my acc^t in full and shou'd be glad to be favour'd with the state acc^t against me that a final settlement may be made—I have the Honor to be with sincere regard

Your very Obed^t Hble Serv^t
