

and confirmed by the judgment of the said county commissioners, or certified copies of the record thereof, shall be taken and received as full and sufficient evidence of the true location of such roads.

98. It shall be the duty of the road supervisors in said county, to remove all obstructions from within the limits of the several public roads in Harford county, at the cost and expense of the person who may have caused such obstructions to be placed therein, if the same shall not be removed by such person after reasonable notice being given to him by the supervisor to remove the same,

SCHOOLS.

99. The county commissioners of Harford county are authorized and directed to establish public schools in Harford county.

100. They shall levy a tax not exceeding twelve cents on the hundred dollars upon the assessable property of the county, to be collected as other county charges and applied to the public schools.

101. They shall have charge of and apply to the use of the public schools the school fund of the county.

102. They may recover all devises, bequests and donations which may be made for the benefit of said public schools, and shall pay the same to the person or persons hereinafter authorized to receive them.

103. They shall, in the month of January in each year, appoint three suitable persons in each election district in said county, to be called "The School Commissioners of Harford County," who shall continue in office one year and until their successors have been appointed.

104. They shall, at the time of making said appointments, designate one of said school commissioners from each election district to form the Executive Board of School Commissioners of said county, and shall convene said board within twenty days from their appointment, at the office of the county commissioners.
