

No. 10.

Resolved by the General Assembly of Maryland, Assented to Feb. 5, 1864.
That a committee of three on the part of the Senate and an equal number on the part of the House of Delegates, be appointed to inquire into the propriety of purchasing on the part of the State a portion of the Battle Field of Antietam, not exceeding twenty acres, for the purpose of a State and National Cemetery, in which the bones of our heroes who fell in that great struggle, and are now bleaching in the upturned furrows, may be gathered for a decent burial, and their memories embalmed in some suitable memorial.

Resolved, That the aforesaid Committee be, and they are hereby authorized to inquire into the expediency of erecting at the expense of the State, a suitable Monument of Native Granite, upon the Battle Field of South Mountain, in memory of Gen. Reno and his brave companions in arms, who fell upon that spot and consecrated it forever to the genius and spirit of American Patriotism, and to every lover of Liberty and Laws throughout the world. And that the said Committee shall have leave to report by bill or otherwise.
