

(2) INFORM THE APPROPRIATE LOCAL GOVERNMENT ABOUT PROBLEMS WITH ITS PROCESS FOR ISSUING A DEVELOPMENT PERMIT.

(E) RESPONSE OF LOCAL GOVERNMENTS AND STATE UNITS.

A LOCAL GOVERNMENT OR A STATE UNIT SHALL ACT PROMPTLY TO REMEDY A PROBLEM THAT IS BROUGHT TO ITS ATTENTION.

REVISOR'S NOTE: This section is new language derived without substantive change from former Art. 78A, § 57A(e)(2) through (4) and the second clause of the first sentence of (e)(1).

In subsection (a) of this section, the reference to issuance of development permits "by local governments or State units" is substituted for the former words "issuance of State, county, or municipal permits", for consistency with the language used elsewhere in this title.

Also in subsection (a) of this section, the former phrase "known to or brought to the attention of the members" is deleted as surplusage, since the Council could not discuss a matter unless the matter is known to it.

In subsection (b) of this section, the words "of Economic and Community Development" are added to modify the word "Secretary", for clarity.

In subsection (c) of this section, the duty to encourage "State units" to participate is substituted for the former reference to encouraging "departmental participation", for clarity.

In the introductory language of subsection (d) of this section, the word "appointed" is added to modify the word "member", since the reference to the "member's district" presumably excludes the ex officio members.

In subsection (d)(1) of this section, the defined term "local government[s]" is substituted for the former reference to "the government of the counties ... and municipalities", to conform to subsection (d)(2) of this section and the rest of this title. Similarly, in subsection (e) of this section, the defined terms "local government" and "State unit" are substituted for the former term "[g]overnmental agencies".
